

International Conference on Emerging Trends in Engineering and Advanced Science 2021

ICETEAS 2021 VIRTUAL RESEARCH CONFERENCE

"Emerging trends for Empowering Innovation in Engineering and Advanced Science"

Research Tracks

Electrical and Electronic Engineering

- Communication Systems
- Nanotechnology and Nanofluid
- Power Grid System
- Power Systems
- Power Electronics and devices
- Renewable Energy
- Photonics, Optoelectronics and Optical Fiber Communication
- Microwave Devices & Circuits
- Electronics & Embedded Systems
- Digital Signal Processing
- Control Engineering

Computer Science Engineering

- Data Science
- Ambient Intelligence
- Data Communication and Networking
- Cloud Computing
- Security and Privacy

Mechatronics Engineering

- Biomedical Engineering
- Biomechanics
- Bioinformatics & Biometrics
- Artificial Intelligence and Robotic
- Human-Machine Interfaces
- Robotics & Mechatronics

Multidisciplinary

- Sustainability in Apparel Industry & Circular fashion
- Basics in Textile and Apparel Engineering
- Technical textiles, smart textiles and E - textiles
- Industry 4.0
- Applied Mathematics
- Applied Chemistry and Chemical Engineering
- Material Science
- Applied and Technical Physics
- Pharmaceutical Sciences

CALL FOR PAPERS

Conference date: 21-22 October, 2021

The department of Electrical and Electronic Engineering of the World University of Bangladesh (WUB) invites Professionals, Industry Practitioners, Researchers and Educators to participate and submit technical papers for oral presentation and publication. The aim of ICETEAS is to engage academics, researchers and scholars from all over the world to existing and forthcoming developments in the suitable fields of engineering and science. It will also foster an environment favorable to exchanging ideas and information with multidisciplinary approach on different spheres of engineering and advanced science.

Important Dates

Online paper submission	Notification of Acceptance	Registration Deadline	Camera-ready Submission
September 20, 2021	September 30, 2021	October 14, 2021	October 17, 2021

Keynote Speakers: Dr. Mohd Suffian Misran (Faculty of Engineering, Universiti Malaysia Sabah, Malaysia); Prof. Dr. Md. Mizanur Rahman, CEng (Professor and HOD, Department of Mechatronics Engineering, World University of Bangladesh)

International Advisory Committee

Prof. Dr. Seock-Sam –Kim (South Korea)
 Prof. Dr. Chu Chi Ming (Malaysia)
 Dr. Sivakumar Kumaresan (UMS, Malaysia)
 Dr. Mohd. Suffian Misran (Mechanical, Malaysia)
 Dr. Mohd Kamel Wan Ibrahim (Malaysia)
 Dr. Sabariah Binti Julai (UM, Malaysia)
 Dr. Mahmudur Rahman (UM, Malaysia)
 Dr. Mahamudul Hasan (VU, Australia)
 Md. Niaz Morshedul Haque (UoU, South Korea)
 Prof. Dr. Md Jalal Uddin (Post Doctoral Researcher in Smart Bio Chip at Kwangwoon University, South Korea.)
 Dr. Shezan Arefin (Engineering Institute and Technology, Victoria, Australia)
 Md. Meftahul Ferdous (Institute for Infocomm Research, UNSW, Australia)

Organizing Committee

Chief Patron: Prof. Dr. Abdul Mannan Choudhury, Vice-Chancellor (Designated), WUB.
Advisor: Prof. Dr. Musfiq M. Choudhury, Secretary, Board of Trustees/ Governors, WUB.
Chairman: Prof. Dr. Quazi Deen Mohd Khosru, Dept. of EEE, BUET, Bangladesh
Organizing Chair: Dr. Md. Riyad Tanshen, Dept. of EEE, WUB;
Conference Secretary: Dr. Md. Moshin, Dept. of EEE, WUB.
Editor in Chief: Prof. A F M Abdur Rauf, Dean, Faculty of Science and Engineering, WUB.
Deputy Editor in Chief: Prof. Dr. S.M. Shirazi, Dept. of CE, World University of Bangladesh
Treasurer and Organizing Secretary: Amit Halder, Dept. of EEE, WUB.
Printing and Publishing: Muhammad Shaffatul Islam, Dept. of EEE, WUB; Md. Rasel Sarkar, Dept. of EEE, WUB.

Publications:

AIJR Proceedings (ISSN: 2582-3922)
